I hereby offer to **HWS - Aktiengesellschaft Handel - Wirtschaft - Services, Monschauer Str. 12, 40549 Düsseldorf** (hereinafter referred to as HWS) Lithium Investment Units (LIU), which I have acquired from HWS AG within the framework of the German Lithium Participation Programme (GLP Programme), for purchase in my name and for my account at current conditions (daily price).

<p>Number of Lithium Investment Units (LIU) offered for repurchase, per 150 kg lithium carbonate (battery grade) according to the LIU data sheet at the daily repurchase price (to be found on the homepage of the GLP programme: germanlithium.com; please note additional amounts resulting from laboratory testing in case of damaged barrel or seal (see information on homepage of the GLP programme: germanlithium.com). If the barrels and the pallets you offer for sale together with the Lithium Investment Units are undamaged, we will refund the deposit paid when purchasing the Lithium Investment Units, provided that the Lithium Investment Units were also purchased from us. Furthermore, in case of a buy-back offer of less than four Lithium Investment Units, a small quantity lump sum is due, which will be deducted from the buy-back price accordingly (see document Price Overview to be found on the homepage of the GLP programme).</p>

I/We offer HWS AG the above mentioned number of LIU(s) or other goods in my possession. These are already stored or held in safekeeping by HWS AG or a service provider commissioned by it. If this is not the case, I shall ensure that the LIUs are brought to a place designated by HWS AG and tested there by an independent and certified laboratory to ensure that they are undamaged or unadulterated (this shall not apply if it can be ensured that the seals and barrels are not damaged). The costs for the inspection of the integrity or authenticity will be borne by me or deducted from the above-mentioned repurchase price. In addition, the separate contractual terms and conditions brought to my/our attention shall apply to HWS AG as well as to the service providers commissioned by it.

The General Terms and Conditions of Business (GTCS and GCSD) of HWS Aktiengesellschaft, the Product Information Sheet Lithium Carbonate (battery grade) as well as the Rental Terms and Conditions for Storage Services in the latest version of the publication (e.g. placing of orders by fax) and price lists as well as the pre-contractual information that I/we have taken note of and accepted shall apply to business transactions. **I/We have taken note** that a copy of this order has been handed over to me/us.
